by adding the following new section immediately preceding the last section and by renumbering the subsequent section accordingly:

Section _____. Tennessee Code Annotated, Section 63-6-201, is amended by adding the following as a new subsection (b)(1):

Notwithstanding the foregoing provisions, the following persons, subject to the following limitations, are exempt from the requirement of a license:

() Medical interns, resident and clinical fellows while participating in a post-graduate otolaryngology training program, administered by licensed physicians in the western grand division of Tennessee and which program has been in existence prior to 1992, performing duties assigned to meet the requirements of such a program, and while under the control of a physician licensed to practice medicine in Tennessee. No such intern, resident or clinical fellow is permitted to practice medicine outside of his or her duties and responsibilities in such training program without being licensed to practice medicine in Tennessee;

(A) It is the responsibility of the program director or the dean responsible for the training program to apply to the board for an exemption for each such medical intern, resident or clinical fellow. Such application for exemption is the responsibility of the above-named program director or dean to notify the board of the
